Step 1: Pick up one moving bin from the tent out front.
Step 2: Return to your room and fill the moving bin with your items.
Step 3: Take the filled moving bin to the tent for drop off in the secured location.
Step 4: Repeat process with one moving bin per trip until your items are completely removed from your room.
Step 5: Return to your empty room and complete your checkout process with your RA.
Step 5: Obtain a loading permit from the tent and use the pedestrian path noted above to travel to your vehicle.
Step 6: Drive to the loading zone and the staff will load your personal items in your vehicle - do not exit your vehicle.
Step 7: After your items are loaded in your vehicle follow the above yellow dotted line to exit the area.
