UPCOMING ON-CAMPUS EVENTS ... 14
Welcome to your new home at SDSU! Please become familiar with the information in this Move-in Guide to assist you in preparing for move-in day. We look forward to your arrival and hope that your time living on campus is memorable and rewarding.

BEFORE YOUR ARRIVAL

1. Review the Housing License Agreement
You are expected to adhere to the terms and conditions outlined in the 2018-2019 Housing License Agreement. Please read and refer to the agreement as necessary throughout the year.

2. Read the Guide to Community Living
Please familiarize yourself with our rules regarding cleaning, guests, alcohol, drugs and more in the Guide to Community Living. You are expected to follow the policies and procedures described and act accordingly.

3. Pick Up Your SDSUcard
On move-in day, you will be required to present your SDSUcard to check into your room. Your SDSUcard will give you access to your hall entrance, laundry services, meal plan and more. If you have not already done so, please pay the ID card fee online or in person at Student Account Services (Student Services West, Rm. 2536) and pick up your ID at the SDSUcard Office (Student Services West, Rm. 2620).
4. Purchase Your Parking Permit

Campus Parking
If you plan to park on campus for the semester, you will need to purchase the student day/night permit (valid 24 hrs.) from SDSU Parking and Transportation Services. Once you have paid for your permit online, you will receive a temporary permit to display on your dashboard until your decal arrives in the mail. Don’t forget to use your residence hall address to prevent delay. If you are living in University Towers, alternative parking is listed below.

University Towers Parking
Students living in University Towers may purchase the UT parking permit for a reserved space at the building. These permits are available for purchase online on a first-come, first-served basis beginning Monday, July 30, 2018. Please note that these permits are not valid at other on-campus parking lots/structures.

5. Buy Your Textbooks
Your fall booklist is available on Monday, August 6, 2018. Purchase your textbooks online and pick them up at the SDSU Bookstore when you arrive to campus.

Mail will be accepted beginning Thursday, August 23, 2018. Mail delivered prior to this date will be returned to sender.
6. Understand Your Healthcare Coverage
While you have access to basic health and wellness services on campus at no or low cost, it is important you have access to and know how to use your individual health care locally if you need to access a specialist, urgent/emergency services or long-term health care. Talk to your parents or call your insurance provider to ensure you know how to utilize your health care coverage locally, including how to make an appointment, and what providers and/or local urgent/emergency services you can utilize.

7. Prepare to Live with Roommate(s)
Roommate assignments are now available. Log in to the Housing Portal to view and connect with your roommates. Moving in with roommates is part of the college experience, but that doesn’t mean it’s always easy. Below are a few tips for building a positive and successful relationship with your roommate(s).

**Establish Rules:** During move-in, you’ll negotiate and sign a Roommate Agreement. Discuss your expectations and habits to avoid future conflict.

**Communicate:** If something is bugging you, talk it out with your roommate in a clear and calm manner.

**Bond:** Get to know your roommate outside of your room. Grab dinner or attend a campus event together.

While sometimes roommates do become best friends, most of the time they become good friends. You do not have to be best friends to have a fun and rewarding experience, but it is important that you learn to respect one another no matter what relationship may develop.
8. Download the SDSU Housing App
Download the free SDSU Housing app on the Apple App Store or Google Play Store for all of your housing needs at one place.

Friday, August 24, 2018: Primary move-in day

1. Plan to Arrive at Your Check-In Time
   Check your Move-in Guide email for your assigned check-in time and print out your corresponding parking permit. Display your parking permit on your dashboard and adhere to your check-in time or you may be asked to wait.

2. Follow the Map
   Refer to the map on page eight (8) for your detailed arrival instructions, including specific check-in, unloading and parking locations. Please note that the physical address of your building is not necessarily where you check in. Follow the travel directions provided to minimize traffic and prevent delays.

   There will be a limited number of moving carts and volunteers available to help you unload on move-in day. We suggest that you bring your own hand truck or moving cart to avoid waiting in line.

STUDENT ABILITY

The Student Ability Success Center (SASC) authorizes and provides a variety of services and accommodations, which are determined on a case-by-case basis and in consultation with an SASC counselor. If you are in need of accommodations for move-in day, please visit http://sdsu.edu/sasc to get started on the application process. You may also contact the Student Ability Success Center at (619) 594-6473 or by email at sascinfo@sdsu.edu. The process can take up to two weeks, depending on the number of applications that have been submitted. You may be contacted if additional documentation is needed to determine eligibility.

6. Complete the Room Condition Report
Upon check-in, you will receive an email prompting you to assess the current condition of your room and community living spaces (if applicable). Avoid unnecessary charges by completing the Room Condition Report on the Housing Portal in a timely manner. Staff members reference this document at move-out to inspect rooms and bill for damages. You will be billed for all damages sustained during the duration of your License Agreement.

Don’t miss the mandatory floor meeting on move-in day at 7:00 PM and mandatory hall meeting on Saturday, August 25 at 3:00 PM where you will get to know your staff, your building and your neighbors. Specific details regarding these meetings will be shared at check-in.
