IT’S ALMOST TIME
Move-in day is quickly approaching and we are excited to welcome you to your new home! This edition of Hall Street Journal is loaded with important information about preparing for move-in day on Thursday, August 23, 2018.

In early August, be on the lookout for the electronic Move-in Guide sent to your email with specific information about move-in parking, check-in, unloading and more.

AZTEC MOVE-IN CREW
Move-in is an exciting event that brings faculty, staff, student organizations and the community together to welcome students to our residential communities. In order for move-in to run smoothly, we depend on the hard work and commitment of our Aztec Move-in Crew volunteers.

If you sign up to be a volunteer, you will be given the opportunity to move into your suite or apartment two days early on Tuesday, August 21, 2018 so that you can be organized and ready to help when freshmen arrive on Friday, August 24, 2018. For more information and to apply, please visit housing.sdsu.edu/crew. Volunteer applications will be accepted until July 15, 2018.

DECLINING BALANCE MEAL PLANS
Meal plans allow you to enjoy the peace of mind of having funds set aside for meals. You can still opt into a meal plan on the Housing Portal until July 15, 2018. Keep in mind that sophomore and upper division meal plans use a declining balance and operate differently than the freshmen meal plans. You also receive the benefit of added value, which gives you even more funds to use toward meal purchases. With a declining balance, you get to enjoy the flexibility of budgeting your own meals on your own time. Sophomore and upper division meal plans are accepted at all of our participating meal plan locations. There are no restrictions on daily spending and the plan is available seven (7) days a week during the semester.

BILLS & PAYMENTS
Your total housing and meal plan cost for the 2018-2019 year is split into eight (8) installments for 9-month License Agreements and ten (10) installments for 11.5-month License Agreements. E-Bills are posted onto your Online Student Account on the 5th of each month and are due on the 20th of each month. The first installment is due on August 20, 2018. View the complete payment schedule at housing.sdsu.edu/apt-payments. To view your university charges, log onto the Online Student Account at sdsu.edu/sas.

Don’t forget to activate your loans as soon as possible to ensure funds are available by the start of school. Loan activation is done via your Financial Aid Portal at sdsu.edu/aidlink.

WE’RE GROWING & IMPROVING
To better accommodate our students, we have implemented several exciting construction projects related to our residential facilities. While we work to enhance the physical elements of our residential community, we anticipate some noise and dust due to the construction process. It is our goal to mitigate the impacts of our projects on our residents in nearby facilities. Visit housing.sdsu.edu/construction.aspx for more information.
