WELCOME HOME

Welcome back to your home at SDSU! Please become familiar with the information in this Move-in Guide to assist you in preparing for move-in day. We look forward to your return and hope that your time living on campus is memorable and rewarding.

BEFORE YOUR ARRIVAL

1. Review the Housing License Agreement
   You will be expected to adhere to the policies and regulations outlined in your 2018-2019 License Agreement. Please read and refer to the agreement as necessary throughout the year.

2. Read the Guide to Community Living
   Please familiarize yourself with our rules regarding cleaning, guests, alcohol, drugs and more in the Guide to Community Living. You are expected to follow the policies and procedures described and act accordingly.

3. Bring Your SDSUcard
   On move-in day, you will be required to present your SDSUcard to check in to your apartment. If you have lost or misplaced your card, please pay the ID card fee online or in person at Student Account Services (Student Services West, Rm. 2536) and pick up your ID at the SDSUcard Office (Student Services West, Rm. 2620).
4. Purchase Your Parking Permit

**Building Parking**

Students living in Montage on College may purchase a parking permit for a reserved single or tandem space at the parking garage on site. Any resident reserving a tandem space must share this spot with a roommate residing in their apartment. Contact the Montage leasing office for more information.

**Campus Parking**

If you plan to park on campus for the semester, you will need to purchase the student day/night permit (valid 24 hrs.) from SDSU Parking and Transportation Services. Once you have paid for your permit online, you will receive a temporary permit to display on your dashboard until your decal arrives in the mail. Don’t forget to use your building address to prevent delay.

5. Buy Your Textbooks

Your fall booklist is available on Monday, August 6, 2018. Purchase your textbooks online and pick them up at the SDSU Bookstore when you arrive to campus.

Mail will be accepted beginning Thursday, August 23, 2018. Mail delivered prior to this date will be returned to sender. To be safe, please adjust your deliveries to begin August 23 when mail service begins.
6. Understand Your Healthcare Coverage

While you have access to basic health and wellness services on campus at no or low cost, it is important you have access to and know how to use your individual health care locally if you need to access a specialist, urgent/emergency services or long-term health care. Talk to your parents or call your insurance provider to ensure you know how to utilize your health care coverage locally, including how to make an appointment, and what providers and/or local urgent/emergency services you can utilize.

7. Connect With Us

Follow SDSU Housing on Instagram, Twitter, Facebook and Snapchat @SDSUhousing and Montage on Facebook and Instagram @montagesdsu for important updates, events and opportunities.
8. Prepare for Apartment Living

Transitioning out of the residence hall and into an apartment is an exciting part of the college experience but is also a big responsibility. You and your roommate(s) will be responsible for cleaning the common areas, including kitchens and bathrooms as well as monitoring electricity usage to avoid overages. Below are a few tips to help you smoothly transition to apartment living.

Decide Who Contributes What

Work together to decide what to bring. Items to consider divvying up are dishes, silverware, pots and pans, small appliances, TV, toilet paper, trash bags and cleaning supplies. Don’t forget to be respectful when utilizing items that belong to your roommate(s).

Create a Cleaning Schedule

Apartments are inspected once a month to ensure the health and safety of all residents. Keep your living areas clean to avoid custodial fees. It’s a great idea to put up a calendar as a visual reminder of whose turn it is to take out the trash or do dishes. Set aside a day to tackle the big jobs together. Split costs for cleaning supplies and other items such as toilet paper and paper towels.

Be Courteous

If you want to bring people over, give your roommate(s) a heads up so they know to expect guests. Include your roommate so they feel welcome and comfortable in the shared space. Remember to review the sophomore guest policies in the Guide to Community Living.

WHAT TO BRING

</tbody>
</table>
1. Plan to Arrive at Your Check-In Time
Check your Move-in Guide email for your assigned check-in time. Please arrive only during your assigned check-in time or you may be asked to wait.

2. Follow the Map
Follow the map on page seven (7) for your detailed arrival instructions. The parking garage will be open parking for all residents and guests during your assigned move-in time through Sunday, August 26, 2018. After this time, all vehicles must be removed from the garage or parked in their assigned parking space (only if already rented through the leasing office). Any violators without a proper parking decal or in the correct assigned spot will be towed at the owner’s expense.

3. Unload
Elevator access will be first-come, first-serve on move-in day. We encourage all residents to use the stairwells on your way down and reserve elevator use for hauling items up only. This will help maintain elevator flow and maximize everyone’s overall use of the onsite elevator(s).
4. Unpack
Bedrooms have been assigned to the resident by management. Please make sure you move into your assigned bedroom space only to avoid any confusion at move in and possibly being charged items you were not responsible for. Your bedroom will feature a bed frame, mattress, desk, desk chair and dresser.

5. Recycling/Trash
Once you’ve unloaded, please break down all boxes and take your trash to the roll-off bin located on the drive aisle next to the entrance of the parking garage. Due to the volume of debris, trash chutes will not be open until move-in is complete.

6. Complete the Room Condition Report
Upon check-in, you will receive a move in inspection form to assess the current condition of your room and community living spaces. Avoid unnecessary charges by completing the Room Condition Report within 48 hours. Management references this document at move-out during room inspections and when billing for damages. You will be billed for all damages sustained during the duration of your License Agreement that are not documented on your move-in inspection form.

7. Attend Mandatory Meetings
Don’t miss the mandatory floor meetings where you will get to know your staff, your building and your neighbors. Specific details regarding these meetings will be shared at check-in.

8. Avoid the Friday Congestion
A majority of the freshmen students move in on Friday, August 24, 2018. Because you are moving in on Thursday, we recommend spending some time off-campus on Friday if you wish to avoid move-in congestion and traffic. SDSU has a trolley stop and numerous bus stops on campus that can take you to:

- Gaslamp Quarter
- Seaport Village
- Old Town
- Mission San Diego
- Fashion Valley
STEP 1, ARRIVAL:
To avoid traffic, take the Fairmount Ave. exit from I-8 and head south. Merge onto Montezuma Rd. (east), then turn right on College Ave.

STEP 2, STAGING:
Turn right into driveway off of College Avenue. Entrance to the garage will be on the right.

STEP 3, CHECK-IN:
Proceed up via stairs or elevator to the 1st floor Community Lounge for check-in. You will receive your apartment fob, bedroom key, mailbox key and parking transponder/permit for your assigned parking space (if purchased).

STEP 4, UNLOADING:
Unload at the 1st floor of the parking garage, P1.

STEP 5, PARKING:
Once finished unloading, move your vehicle down to P2 to avoid unloading congestion. Beginning at 7 AM on August 27, the parking garage will be reserved for Montage residents with purchased parking permits only via your assigned space.

MOVE-IN MAP – MONTAGE
SERVICES AND AMENITIES

Safety & Security
The University Police Department (UPD) embraces a community policing philosophy in order to help provide a safe environment for you to live and thrive. As you begin to settle into your new community, UPD encourages you to take advantage of some of their many resources:

- Register your bike at UPD in an effort to deter theft and prevent impounding and get a free U-lock while supplies last.
- Travel safely at night using the Red & Black Shuttle. The shuttle operates Monday through Thursday from 5-10 PM during the fall and spring semesters. Check out the Red & Black shuttle route to view the convenient pickup locations and stops across campus.
- With the push of a button, get immediate access to UPD using the “blue light” duress phones located throughout campus.

Meal Plans
Montage on College does feature a full-size kitchen in each apartment, however if you opted into a meal plan, it will begin on Thursday, August 23, 2018.
Wi-Fi

Access to wireless internet is provided in each apartment. The management office will send out further instructions on how to connect. For on-campus Wi-Fi, connect to the Eduroam network using your SDSUid by following the connection instructions.
BIKE & SURFBOARD STORAGE

Bicycles and surfboards are not allowed inside the apartments. Bicycle and surfboard storage spaces are available in the parking garage. For more information, contact the Montage management office.
How do I request a room or hall switch?

Contact the Montage management office for information regarding room or hall switches. Please note that a room/hall switch fee will apply for accommodated requests.

How can I get something repaired in my room?

Repairs will be made on a priority basis when a service request has been submitted. Maintenance requests can be submitted through the Montage Resident Portal.

FAQs:

What if I need to cancel my contract for housing?

The License Agreement is a legally binding contract. By signing it, you have agreed to its terms and conditions including expectations for occupancy and conduct. You may request a Contract Release at any time, but breaking this contract may have costly consequences. Contact the Montage management office to learn more.
