## Student Housing License Agreement Terms & Conditions

### 2021-2022 COVID-19 Addendum

---

Refer to the SDSU Housing License Agreement you executed. By completing and signing the Student Housing License Agreement, you agree to all of its provisions. Please read these provisions carefully before submitting a completed License Agreement and this Academic Year 2021-2022 Addendum. This addendum to the License Agreement presents the Terms and Conditions by which a San Diego State University student agrees to abide by to live on-campus during the 2021-2022 Academic Year. This addendum is incorporated into and supplements the SDSU Student Housing License Agreement. Except as stated in this addendum, it does not alter any conditions or obligations in the License Agreement. This addendum is effective for the complete academic year, fall through spring semesters, or for such portion of the academic year(s) as may remain at the time the License Agreement is signed. In addition to the License Agreement, the following will apply:

1. Right of Entry
  - a. Licensee must vacate their room during Health and Safety Inspections, custodial services, maintenance repairs, or any other inspection in order to practice safe physical distancing and reduce risk of exposure to COVID-19 (or other infectious diseases) or when entry to the room is required by an SDSU representative.
2. Emergency Preparedness
  - a. In addition to the emergency supply kit and recommended items described in paragraph A.30 of the SDSU Student Housing License Agreement 2021-2022, Licensee must also maintain the following supplies:
    - i. Hand sanitizer (at least 70% alcohol base)
    - ii. Nitrile or Latex gloves
    - iii. Ear-loop face mask or face covering
    - iv. Thermometer
3. Occupancy Requirements
  - a. Upon check-in, Licensee agrees to comply with the directives of the County of San Diego Health and Human Services Agency which may include requirements for testing, isolation and quarantine.
  - b. Licensee agrees to comply with any further directives of the County of San Diego Health and Human Services Agency during the terms of occupancy which may include return from breaks.
  - c. Licensee understands and acknowledges that COVID-19 immunization may be required by SDSU as a condition of continued occupancy.
  - d. Licensee agrees to comply with any COVID-19 surveillance testing as may be required by SDSU.
4. Confirmed Positive or Exposure to COVID-19 Procedures
  - a. Should Licensee become sick with COVID-19 symptoms, test positive for COVID-19, or have exposure to someone with COVID-19 symptoms or a confirmed or suspected case, Licensee will notify Student Health Services following notification protocols outlined on the University's COVID-19 site <https://sacd.sdsu.edu/student-health-services/covid19-case-alert-protocol>. Licensee is required to report COVID-19 test result immediately upon receipt of test results and no later than two hours after receipt of test results through the Student Health Services online reporting system as outlined here <https://sacd.sdsu.edu/student-health-services/covid19-case-alert-protocol>.
  - b. If Licensee tests positive for COVID-19, Licensee agrees to be moved into an isolation unit.
  - c. Licensee will not attend in-person classes or activities or visit other on-campus facilities (including dining halls), or end isolation until they have satisfied CDC's [criteria to discontinue home isolation](#), as confirmed by University officials.
  - d. Licensee acknowledges that a medical authority (that may be Student Health Services) will determine if the student is able to self-isolate or needs to be referred to a healthcare facility, depending on how severe their symptoms are.
  - e. Licensee will be provided with and be advised to follow CDC [Guidance for caring for oneself](#) and others who are sick.
  - f. Licensee acknowledges that if they need to be transported to a healthcare facility, Student Health Services, or its designee, will call for appropriate medical transportation and alert the hospital that the Licensee may have COVID-19.
