RESIDENTIAL LEARNING & THEMATIC LIVING COMMUNITIES

Residential Learning Communities (RLC) provide first-year students with a unique opportunity to connect and learn, both inside and outside the classroom. In an RLC, students live alongside peers with shared academic or co-curricular interests and are enrolled in a connected set of academic courses to help produce smaller, more intentional communities that promote student success. Thematic Living Communities provide students with the opportunity to live with peers with common interests without paired academic courses.
