The Licensee must also submit a service request to have the beds un-bunked or un-lofted when they are changing rooms (either by their own request or being administratively moved) or during the check-out process when requesting contract cancellation. A bed rail and ladder are provided for each bunked or lofted bed and must be used and remain in place to ensure proper use of bed. Bunk and loft beds may not be moved in front of a window that is capable of opening more than six inches. The Licensee will return all room furniture to the original positions before moving out. Failure of Licensee to return furniture to the original positions in the room or movement of common area furniture by Licensee will result in additional charges and billed to the Licensee's account. Removal of furniture from Licensee's room and public areas is considered theft.
