Laundry Card Kiosk Instructions

Buy a new laundry card:

1

Press **“Buy Card”** on the display (new card cost will be displayed)

2

Follow instructions on the screen to purchase with your credit/debit card

New cards purchased from kiosk contain \$0 value and must be loaded with funds

Add value to laundry card:

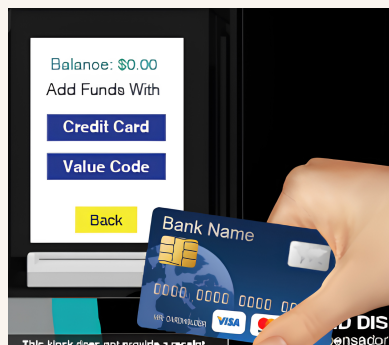

1

Hold your laundry card near the display (the card balance will appear)

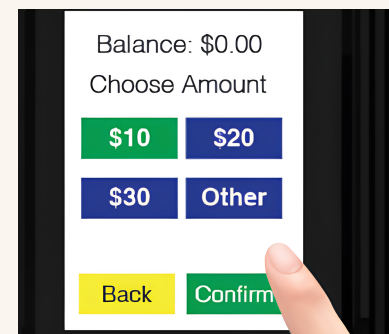

2

Follow the instructions on the screen to use your desired payment option

3

Select and confirm the amount of value you want to load on the laundry card

4

Follow the instructions and hold your laundry card near the display to value
