RESIDENTIAL LEARNING & THEMATIC LIVING COMMUNITIES

Residential Learning Communities provide you with a unique opportunity to connect and learn, both inside and outside of the classroom. In a Residential Learning Community, you will live alongside other students with shared academic or co-curricular interests. You will also be enrolled in a connected set of academic courses to help produce smaller, more intentional communities that promote student success. Thematic Living Communities provide you with the opportunity to live with students who share common interests, without paired academic courses.
