WELCOME HOME

Welcome back to your home at SDSU! Please become familiar with the information in this Move-in Guide to assist you in preparing for move-in day. We look forward to your return and hope that your time living on campus is memorable and rewarding.

BEFORE YOUR ARRIVAL

1. Review the Housing License Agreement
You are expected to adhere to the policies and regulations outlined in the 2019–2020 Housing License Agreement. Please read and refer to the agreement as necessary throughout the year.

2. Read the Guide to Community Living
Please familiarize yourself with our rules regarding cleaning, guests, alcohol, drugs and more in the Guide to Community Living. You are expected to follow the policies and procedures described and act accordingly.

3. Bring Your SDSUcard
On move-in day, you will be required to present your SDSUcard to check in to your apartment or suite. Your SDSUcard will give you access to your building entrance, laundry services, meal plan (if applicable) and more. If you have lost or misplaced your card, please pay the ID card fee online or in person at Student Account Services (Student Services West, Rm. 2536) and pick up your ID at the SDSUcard Office (Student Services West, Rm. 2620).

4. Buy Your Textbooks
Your fall booklist is available on Monday, August 5, 2019. Purchase your textbooks online and pick them up at the SDSU Bookstore when you arrive to campus.

5. Understand Your Healthcare Coverage
While you have access to basic health and wellness services on campus at no or low cost, it is important you have access to and know how to use your individual health care locally if you need to access a specialist, urgent/emergency services or long-term health care. Talk to your parents or call your insurance provider to ensure you know how to utilize your health care coverage locally, including how to make an appointment, and what providers and/or local urgent/emergency services you can utilize.
6. Purchase Your Parking Permit

Campus Parking
If you plan to park on campus for the semester, you will need to purchase the Student Day/Night permit (valid 24 hrs.) from SDSU Parking and Transportation Services. Once you have paid for your permit online, you will receive a temporary permit to display on your dashboard until your decal arrives in the mail. Don’t forget to use your **building address** to prevent delay.

Building Parking
Students living in **Aztec Corner, Granada, Piedra del Sol, Huaxtepec, Metepec, Mixquic, Tarastec, Toltec, Zacatepec and Zapotec** may purchase a parking permit for a reserved space at their building. These permits are available for purchase online on a first-come, first-served basis. Please note that these permits are not valid at other on-campus parking lots/structures.

7. Prepare for Apartment and Suite Living

Transitioning out of the residence hall and into an apartment or suite is an exciting part of the college experience but is also a big responsibility. You and your roommate(s) will be responsible for cleaning the common areas, including kitchens and bathrooms as well as monitoring electricity usage to avoid overages. Below are a few tips to help you smoothly transition to apartment living.

**DECIDE WHO CONTRIBUTES WHAT:** Work together to decide what to bring. Items to consider divvying up are dishes, silverware, pots and pans, small appliances, TV, toilet paper, trash bags and cleaning supplies. Don’t forget to be respectful when utilizing items that belong to your roommate(s).

**CREATE A CLEANING SCHEDULE:** Apartments and suites are inspected once a month to ensure the health and safety of all residents. Keep your living areas clean to avoid fees. It’s a great idea to put up a calendar as a visual reminder of whose turn it is to take out the trash or do dishes. Set aside a day to tackle the big jobs together. Split costs for cleaning supplies and other items such as toilet paper and paper towels.

**BE COURTEOUS:** If you want to bring people over, give your roommate(s) a heads up so they know to expect guests. Include your roommate so they feel welcome and comfortable in the shared space. Remember to review the sophomore guest policies in the **Guide to Community Living**.
