WELCOME HOME

Welcome to your new home at SDSU! Please become familiar with the information in this Move-in Guide to assist you in preparing for move-in day. We look forward to your arrival and hope that your time living on campus is memorable and rewarding.

BEFORE YOUR ARRIVAL

1. Review the Housing License Agreement

You are expected to adhere to the terms and conditions outlined in the 2019–2020 Housing License Agreement. Please read and refer to the agreement as necessary throughout the year.

2. Read the Guide to Community Living

Please familiarize yourself with our rules regarding cleaning, guests, alcohol, drugs and more in the Guide to Community Living. You are expected to follow the policies and procedures described and act accordingly.

3. Pick Up Your SDSUcard

On move-in day, you will be required to present your SDSUcard to check into your room. Your SDSUcard will give you access to your hall entrance, laundry services, meal plan and more. If you have not already done so, please pay the ID card fee online through your Online Student Account or in person at Student Account Services (Student Services West, Rm. 2536) and pick up your ID at the SDSUcard Office (Student Services West, Rm. 2620).

4. Buy Your Textbooks

Your fall booklist is available on Monday, August 5, 2019. Purchase your textbooks online and pick them up at the SDSU Bookstore when you arrive to campus.
5. Understand Your Healthcare Coverage

While you have access to basic health and wellness services on campus at no or low cost, it is important you have access to and know how to use your individual health care locally if you need to access a specialist, urgent/ emergency services or long-term health care. Talk to your parents or call your insurance provider to ensure you know how to utilize your health care coverage locally, including how to make an appointment, and what providers and/or local urgent/emergency services you can utilize.

6. Prepare to Live with Roommate(s)

Roommate assignments are now available. Log in to the Housing Portal to view and connect with your roommates. Moving in with roommates is part of the college experience, but that doesn’t mean it’s always easy. Below are a few tips for building a positive and successful relationship with your roommate(s).

ESTABLISH RULES: During move-in weekend, you’ll negotiate and sign a Shared Living Agreement. Discuss your expectations and habits to avoid future conflict.

COMMUNICATE: If something is bugging you, talk it out with your roommate in a clear and calm manner. Resident advisors can also assist you with roommate communication.

BOND: Get to know your roommate outside of your room. Grab dinner or attend a campus event together.

While sometimes roommates do become best friends, most of the time they become good friends. You do not have to be best friends to have a fun and rewarding experience, but it is important that you learn to respect one another no matter what relationship may develop.
